

CYBERDAYS PROCEDURES AND POLICIES

- We are currently allowed five cyber days. We may only use cyber days after we have exhausted our two built in snow days.
- The principal will announce through an edline message when we will utilize cyber days.
- We have two procedures for teachers and students.
 - 1. In the event we have little or no advanced notice of inclement weather, teachers will post pre-prepared lessons on edline in a folder named “Cyber days”.
 - 2. In the event that we have reasonable advanced notice, teachers will instruct the students to take books home. Teachers will then post assignments on edline in a folder named “Cyber days”.
- **ALL** assignments will be due on the first day back to school.
- **ALL** assignments will be assessed and grades will be given.
- Students who fail to turn in an assignment will receive a “0” for that assignment.
- Teachers will be available to students through e-mail or phone between the hours of 8:00am and 3:00pm.
