## FAREWELL PRINCIPAL BAILEY

As the school year draws to a close, Sacred Heart School is preparing to say farewell to Principal Brian Bailey. Mr. Bailey has served as Principal for SHCS since 2002. This year's senior class was in kindergarten when he first joined the school.

During his tenure, Mr. Bailey has left his legacy at Sacred Heart. He has led the school through a strategic planning process that has been critical for campus improvements, increased student access to technology, and has helped make Catholic education accessible for all interested families. Mr. Bailey helped the school weather tough economic times in recent years and spearheaded the implementation of a tuition assistance program, strategic school marketing, the addition of a 3 and 4-year-old pre-school program, and the renovation of school buildings – all of which contribute to steady growth in enrollment. Under Mr. Bailey's leadership, the student ACT average has reached record highs. Students continue to score above both state and

## 7TH GRADERS RECOGNIZED BY DUKE TiP

(FR) Mackenzie Fresneda, Sarah Duvall, Madison Harper, Luke Hartman, and Paige Ryan  
(BR) Madeline Bottoms, Kendall Crosswell, Joseph Darling, Nicholas Hamling,

Sacred Heart School is pleased to recognize nine 7th graders who were recently offered the opportunity and honor to participate in the 2014-2015 Duke Talent Identification Program (TiP): Madeline Bottoms, Kendall Crosswell, Joseph Darling, Sarah Duvall, Mackenzie Fresneda, Nicholas Hamling, Madison Harper, Luke Harman, and Paige Ryan,

To be eligible for Duke TiP, an individual has to have scored at or above the 95th percentile in certain areas of their grade level testing. Enrollment into the program helps educators and families find out how advanced their students' abilities truly are and what level of educational challenge is appropriate. Since eligible individuals are already excelling at testing at their own grade level, they are invited to take either the ACT or SAT. The ACT and SAT are both standardized tests for college-bound high school students. Besides the Above-Level testing experience, those enrolled in Duke TiP are able to utilize college planning resources not otherwise available to them, gain recognition for their accomplishments, and receive discounts on learning products.

Additionally, Madeline Bottoms and Madison Harper qualified for Duke

Tip State Recognition. State Recognition is given to those 7th graders who take the ACT through the Duke TiP program and make a 21 or higher in at least one of the subtests. They both also qualified for the Academy of Summer Studies through the program.

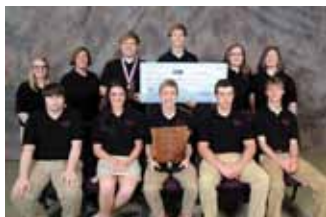

## SH STUDENTS COMPETE IN STATE KNIGHTS OF COLUMBUS ESSAY CONTEST

SH Alum and member of the Knights of Columbus Chris Magie ('03) recently recognized Sacred

Heart students who won the local Knights essay contest. Their essays will be submitted to the state competition. Winners by class include: Cole Tamburo (12th grade), Wyatt Burgener (11th grade), Isabella Ward (10th grade), Witt Dumas (9th grade), and Anja Hoelzeman (8th grade).

## 1A STATE CHAMPIONS

Twenty-seven 1A schools began the quest for a Quiz Bowl State Championship

in September of 2014. After many hours of practice, sixteen of those schools prevailed at their Regional Tournaments to advance to the 1A State Quiz Bowl Tournament at UACCM in Morrilton on April 11. At the end of the day, Sacred Heart and Mt. Vernon-Enola were the two 1A schools to advance to the State Championship game live on AETN. Sacred Heart team members used the two weeks between the state tournament and the championship game wisely. Their countless hours of study paid off with a 260-150 victory over Mt. Vernon-Enola to become the 2015 1A State Quiz Bowl Champions.

Team members are (Front Row) Adam Cambiano, Chloe Andrews, Team Captain Andrew Dunlap, Shamus McGee, Nicholas Hoelzeman, (Back Row) Assistant Coach Rachel Kordsmeier, Coach Patti Bottoms, Evan Hamling, Cole Bottoms, Avery Crosswell, and Sharon Duvall.

This was Sacred Heart's second state appearance and second state championship, the first being in 2010. Evan Hamling was named the 1A MVP for the State Tournament.

Bailey continued from page 1.

national averages, with the 2014 class average score being 24 (state average was 20.4 and national was 21.0). Mr. Bailey has seen the school's basketball teams win state championships in 2006 and 2007 and in 2010 and 2015 the Sacred Heart Quiz Bowl team took the State Championship title. In 2012, Sacred Heart formed a LEGO league team for students ages 9-14. The "Robo Rebels" club teaches students to design, build, and program LEGO robots and to compete with other students. In 2013, after a long hiatus, the Sacred Heart theater program was once again available for students.

In 2009, Mr. Bailey, along with the school board, elected to launch a fund development program. Over the past 5 years, the development program has generated nearly \$1 million for the school, helping to pay for campus renovations, tuition assistance, teacher recruitment and retention, technology improvements and general operating support. Mr. Bailey also serves as an ex-officio member of the Sacred Heart Catholic School Endowment Fund which exceeded \$1 million in 2013.

"I was fortunate that all of the stars aligned," said Mr. Bailey of his time at Sacred Heart. "I have had a great teaching staff, good coaches, support from our development program, great kids and parents." Mr. Bailey's granddaughter Abby graduated from SH in 2013 and his grandchildren, Bailey and JT are currently enrolled. He has been married to Carolyn Bailey for over 40 years. They are members of Sacred Heart parish.

"In my opinion, Sacred Heart would not be where it is today without the leadership of Brian Bailey," said School Board President Norbert Gunderman.

More information about Mr. Bailey's tenure can be found on the school's website. Mr. Bailey was recognized at a retirement party in the school cafeteria on May 12th.

## REBEL TEAMS HEAD TO STATE CHAMPIONSHIP

After finishing conference in 3rd place and coming out of the district tournament with a 4 seed, the Sr. Boys team found the magic in the Regional Tournament in Bradford. The Rebels avenged a 13 point loss from earlier in the season by pounding the 2 South Conference champs Shirley 53-29. The Rebels also avenged a loss to Concord by beating them 51-43 to secure a place in the Regional Championship Game. The Rebels weren't able to take down conference champs Wonderview and lost 53-40. The runner up finish in regionals ensured the Rebels a trip to Nashville for the Class A State Tournament and a game with Nevada. The Rebels came out on the short end of a hard fought game and lost 67-58 ending the season with a record of 19-22.

The Lady Rebels finished their 2014-2105 season with a record of 22-19. Out of the 19, losses only four of those losses were to a team that did not make the State Tournament. The Lady

Rebels played a tough season in a tough conference while finishing runner-up in the conference behind the first place tie with the former State Champion, Nemo Vista, and State runner-up Wonderview. The team finished

the District Tournament with a 3 seed to head into the Regional Tournament where they won a tough first game to continue their season. The Lady Rebels beat West Side Greers Ferry to advance in the Regional Tournament and secured a game in the State Tournament. In the second round of the Regional Tournament, the Lady Rebels came up short to the District Champion, Wonderview. The Lady Rebels went on to play in the State Tournament against Regional winner Kirby. The Lady Rebels played a tough game but couldn't overcome the strength of Kirby's girls.

## SH LEGO TEAM COMPETES AT STATE

The Robo Rebels FIRST Tech Challenge Robotics team attended the State Championship Tournament December in Mtn. Home. The team consists of 10th graders Avery Crosswell and Sharon Duvall, and is coached by Chris O'Cain, IT Director of Winthrop Rockefeller Institute, and Sarah Crosswell, founder of the LEGO Robotics program at Sacred Heart. Teams were responsible for designing, building and programming their robots to compete as alliances against other teams on a 12 ftX12ft playing field. This is the first year the Robo Rebels have competed at this advanced level of robotics. Despite their inexperience and lack of corporate funding (most teams they competed against received sponsorships totaling \$5,000-\$10,000), the all-girl Robo Rebels FTC team finished 17th out of 25 teams and also earned 2nd Runner-Up for the FTC Connect Award which recognized their community outreach through the summer LEGO camps. The Robo Rebels plan to use the off-season to learn how to machine their own parts, expand their programming knowledge, recruit more team members, and secure more team sponsorships. ## Supporting the Future of Catholic Education at Sacred Heart

### DREW BOTTOMS FUND BECOMES FULLY FUNDED

Thanks to generous donations, the Drew Bottoms Memorial Fund has exceeded the \$10,000 requirement to be considered fully funded. The fund was founded in 2014 by Kerry and Patti (Andrews, '88) Bottoms to commemorate their son, Drew, who passed away in June 2014.

In addition to donations, the fund has grown thanks to the work of Patti's cousins Abby (Zimmerman, '02) Parham and Michelle Dixon (photo on page 1) who worked together to design and sell a t-shirt to honor who Drew was a person, student, and athlete. So far, they have sold 325 t-shirts and collected \$1,750. The fund, which now stands at nearly \$15,000, will make its first distribution in 2016 and will benefit projects at the school where Patti is a teacher and Drew's brother and sister both attend.

### NEW FAMILY FUND ESTABLISHED FOR TEACHER APPRECIATION

*"Why God created teachers, in His wisdom and His grace, was to help us learn to make our world a better, wiser place."*

The Sacred Heart Endowment Fund is pleased to announce a new restricted family fund that will help support our faculty. The Clem & Delores (DeSalvo, '58) Hartman Teacher Appreciation Fund was founded in 2015 by Delores Hartman.

Delores attended Catholic Point School in Center Ridge until her 10th grade year. Her parents stressed to her and her all of her sib-

lings that education is of the utmost importance in life. She then enrolled at Sacred Heart and, thanks to many sacrifices made by her family who believed strongly in the value of Catholic education, Delores graduated from Sacred Heart in 1958

In addition to many years of service on the Sacred Heart School Board, Bazaar Committee, Endowment Board, and Booster Club, Delores also spent many years handling the payroll for the school and the bookkeeping for the cafeteria. With their unyielding belief in the necessity of an outstanding Catholic education, Clem and Delores ensured that their two sons, Mark ('81) and David ('84), both graduated from Sacred Heart. They volunteered

many evenings working spaghetti dinners and other fundraisers to benefit the school.

This fund was established to carry on the legacy of their unwavering believe in the priority of excellence in education. This Teacher Appreciation Fund is intended to assist Sacred Heart Catholic School in recruiting and retaining the very best faculty to promote a quality Catholic education; it will provide an annual bonus for teachers and will provide an incentive for teachers to remain at Sacred Heart Catholic School. The first distribution will be made at the end of the 2015-2016 school year.

The Hartman family believes that "To the world you may just be a teacher, but to your students you are a HERO!!"

More information about the restricted Endowment funds, including how to donate, can be found on the Endowment page of the school's website [www.sacredheartmorrliton.org](http://www.sacredheartmorrliton.org).

### LEGACY SOCIETY ADDS NEW MEMBERS

On April 26th, the Sacred Heart Catholic School Endowment Fund hosted a dinner for the members of the Legacy Society. The Legacy Society, which began in 2013 with 28 founding members, recognizes and honors those who have made a lasting commitment of any size by including charitable gifts to the Endowment Fund in their estate plans. The event was held at the Knights of Columbus Hall. New members were recognized, including Fr. Raymond Bruck, Janis (Moll, '81) Horn, Jimmie & Pauline Patrick, Eugene Ruffiner ('63), and Beth Sharbaugh. Sacred Heart School's Director of Development Alisha Koonce provided an Endowment update to the group, noting especially the creation of new family endowed funds and the continued growth of class funds. Endowment Fund Advisory, Barry Corkern, also addressed the group. More information about the Legacy Society and the full list of members is available on the Endowment page of the school website.

This year's 3rd grade class – or the **Class of 2024** – turned in their coin banks for their class endowed fund. This year, they collected \$207.50. Once they have collected \$4,000 they can begin granting funds toward projects at the school that are important to them. More information about class funds is available on the Endowment page of the school website.

## ALUMNUS AND HONORARY ALUMNUS OF THE YEAR PRESENTED AT HOMECOMING

Sacred Heart is pleased to announce the recipients of the 2014-2015 Alumnus and Honorary Alumnus of the Year awards. Both were recognized during the Homecoming ceremony on January 16, 2015.

### This year's recipient for the Alumnus of the Year Award is Delores DeSalvo Hartman.

Delores attended Catholic Point School in Center Ridge until her

10th grade year. She then enrolled at Sacred Heart because a Catholic education was of the utmost importance in her family. She graduated in 1958. Her family made many sacrifices to ensure that this was possible, instilling in her the value of Catholic education.

Through the years, Delores has served Sacred Heart School, Church, Bazaar, and Endowment Fund in countless ways – just some of which are named on page 5, which references the endowed fund she recently established to show her family's appreciation for Sacred Heart teachers.

In addition to her commitment to Sacred Heart School and parish, she has been very involved in the community and has shown many people how meaningful it is to be a Sacred Heart graduate. Delores spent many years in the Morrilton business community before retiring from Regions Bank, having last served as Vice-President. She has been active in many community, church, and civic organizations including St. Vincent Hospital Auxiliary, Conway County Fair Association, Conway County Legal Beverage Association, Sacred Heart Altar Society, and Kiwanis Club. In 2009 she was honored as the Morrilton Chamber of Commerce Citizen of the Year for her unending service to the community. She received the award of Kiwanian of the Year in 1995 and 2003

and she was the first female president of the Morrilton Kiwanis Club in 1993 - 1994. She has also spent time volunteering for the March of Dimes Walk America and American Heart Association.

For her tireless efforts and dedication to Catholic

education, we are pleased to recognize Delores Hartman as this year's Alumnus of the Year.

The Honorary Alumnus of the Year award was created to recognize individuals who, although they may not have attended and/or graduated from Sacred Heart, have shown great commitment and dedication to the school over the years. **This year's recipient for the Honorary Alumnus of the Year Award is Rick Duvall.**

Rick, along with wife and alum Alma, has been a strong advocate for Sacred Heart school for many years. He began sitting in the stands at all the basketball, softball, and baseball games when his children attended Sacred Heart and is an avid supporter of the athletic program. After several years as a baseball coach for the Morrilton Youth Association, he began volunteering as the Sacred Heart baseball coach in 1999. Rick teaches the players about the game of baseball, but he also teaches patience, teamwork, and good sportsmanship. In 2007, the graduating class dedicated the yearbook to Rick.

Rick and Alma ensured that their three children graduated from Sacred Heart. They can now be found in the stands cheering for the high school teams as their son Aaron coaches, and at peewee games where grandson Gabe is learning the sport.

Sacred Heart is pleased to acknowledge Rick's years of service to Sacred Heart and to recognize him as this year's Honorary Alumnus of the Year.

## SH ALUM DR. CHRIS MAGIE ADDRESSES CONWAY COUNTY GRADUATES

On April 16th, ninety graduates representing all four schools in Conway County

(Sacred Heart, South Conway County Schools, Wonderview and Nemo Vista) gathered at Morrilton High School's H.B. White Auditorium for the annual School Counts! Recognition Ceremony. In order to be included, students must meet the School Counts! criteria in regard to their grades and goals; School Counts! Inclusion makes them they will be eligible for financial assistance at UACCM.

This year's speaker was SH 2003 alumnus Dr. Chris Magie who challenged the students to approach their education like a job. Dr. Magie also remarked the importance of supporting our local community. Chris and his wife, fellow SH alum Magie (Kordsmeier, '04) Magie, returned to Morrilton after he completed veterinary school where they opened Magie Veterinary Clinic. Their daughters Kylie (1st grade) and Amelia (pre-k) attend Sacred Heart, as will their youngest daughter Olivia.

## 6TH ANNUAL CARL AND COLE HILL MEMORIAL GOLF

### TOURNAMENT

The 6th annual Carl and Cole Hill Memorial Golf Tournament is set for Thursday, May 28, 2015. This memorial golf tournament began in 2010 after the passing of Cole on November 21, 2009. Cole was a proud 2001 graduate of Sacred Heart School. A few friends and family wanted to celebrate his 26 1/2 years of life as well as benefit worthy causes he held dear. Sadly, four years later, his father, Carl passed away on December 21, 2013, hence the Carl & Cole Hill Memorial Golf Tournament.

For 5 years, this tournament has greatly benefitted Sacred Heart School, as well as Sacred Heart Church and the Cole Hill Memorial Scholarship Fund, which his graduating class sponsors. Signs are displayed at the tournament for donations:

Platinum sponsor \$1,000

Gold sponsor \$500

Tournament sponsor \$250

Hole sponsor \$100

However, any tax deductible donation is very much appreciated and can be mailed to David Little at 114 Shady Lane, Morrilton 72110. Please make checks payable to Sacred Heart School: Carl and Cole Hill Memorial.

## TRIVIA NIGHT 2015

## MRS. ETRIS TO RETIRE

After 25 years as the Library Media Specialist with Sacred Heart School, Mrs. Katherine Etris will be retiring at the end of the current school year. Prior to joining SH, she spent nine years in public schools where she taught secondary English and Social Studies at Wonderview and Dardanelle. Mrs. Etris has cultivated a love of books and reading for countless SH students and we wish her a wonderful retirement.

## SH STUDENTS/ALUM PLACE IN STATE FISHING TOURNAMENT

Sacred Heart students Philip Gottsponer and Cole Bottoms fished for the Perryville Mustangs in the Arkansas High School Fishing

State Championship. The tournament was held May 3 on Lake Dardanelle. These anglers came in 7th out of 120 teams, qualifying them for the Regional tournament to be held in October in Pine Bluff. They caught a five fish limit weighing in at 12 pounds 11 ounces. They were captained by Sacred Heart 2014 alumnus Jordan Ogle (center).

**CAN YOU BE A CLASS AMBASSADOR FOR SACRED HEART?**

The Sacred Heart Development Advisory Board has been working to establish "Class Ambassadors" who are willing to help us reach out to the members of their classes. Our goal is to keep our alumni informed and connected to Sacred Heart. Ambassadors help pass along information when things are going on at SH, but may also be helpful contacts for the school to keep up alumni lists, etc. Ambassadors can serve as long as they choose.

We hope to build this list over the summer but want to thank our current ambassadors. If you are interested in helping with this work, contact **Alumni Co-Chairs:**
