SACRED HEART ENROLLMENT INCREASE

Sacred Heart Catholic School began the 2014-2015 school year with a significant increase in enrollment. In Kindergarten through 12th grades, the school saw a net gain of 18 students. The graduating class of 2014 was small with only 7 students leaving. An incoming kindergarten class of 18, paired with seven new students in grades 1-12, resulted in an enrollment of 253 this year compared with 235 at the end of last school year. Nineteen students commute from areas out side of Conway County, including four new students.

The Sacred Heart Pre-School is operating at full capacity in both the 4 and 3-year-old rooms with a waiting list for each. Those interested in being added to the list should call 501.354.4944.

2014 CAMPUS IMPROVEMENTS

Over the summer, Sacred Heart completed another phase of building renovations. With donor funding, the school was able to replace the North wall of the High School. This improvement updated the building aesthetically, but also provided a more energy efficient structure and allowed for additional electrical work and shelving installation to be completed in the classrooms. The library received the most significant update with the addition of built-in shelves to replace the various shelving units that have been used over many decades. In addition, the library now has a comfortable reading area complete with couch and chairs. Thanks to the addition of secure wi-fi, students now have improved internet access.

Over the summer, the school office was also renovated and plans were made for the addition of a new concrete drive leading up to the gym, which was completed in late August. It will help with deliveries, event preparation and handicap accessibility. Paver walkways were installed to connect the Rebel Plaza to the drive. The walkways include new engraved pavers purchased in 2013-2014. This project was partially funded through a grant from the General Improvement Fund.

This year, Sacred Heart will continue with improvements to campus security and technology. Security

cameras were installed on campus last school year and this year the school will add electronic remote access for all building entrances. The school recently implemented the Hall Pass program that runs a background check on all individuals who come onto the school campus.

All improvements to the Sacred Heart School campus are provided through gifts from generous donors. The school does not receive federal funding and tuition only covers half the cost of the school's operations.

MOMS IN PRAYER WEEKLY MEETINGS AT SACRED HEART SCHOOL

One of the greatest gifts you can give your children and our schools are your gifts of prayer. For our Moms, we have a very special opportunity: Moms In Prayer International

Are you a mom who deeply loves her children and longs for them to grow up to be loving, confident and successful? Do you fear that influences outside your control will steal their hearts? You are not alone ... and you've come to the right place.

Moms In Prayer International is:

- Two or more moms who meet regularly to pray for their children, their schools, their teachers and administrators.

- Mothers, grandmothers or anyone who is willing to pray for a specific child and school.

Moms who believe that prayer makes a difference.

- Sacred Heart School has a Moms In Prayer group that meets every Monday at 11:00 am in the Chapel. For more information, contact Jo-Ellen Dunlap at 501-354-2838 or email Jo.dunlap@yahoo.com, or check out the MIPI website at www.momsinprayer.org

Moms in Prayer members hosted a Back-To-School Prayer Service on September 4th.

Dena Boren joined Sacred Heart in May 2014. She has worked in the child care and health care fields since 1990. Dena is a native of Morrilton and graduated from MHS. She enjoys the outdoors, mostly camping and spending time on the lake.

He teaches 8th grade American History, Civics/Arkansas history, Psychology and Current Events at Sacred Heart.

Jackie, Cheryl and Barbi

Jackie Bost Briggler, a native of California and graduate of Morrilton High School, joined SHCS as the new Cafeteria Manager. She previously worked for Levi Strauss & Co., Payless Shoe Co. and most recently as a cook at Morrilton Intermediate School. She has been married to David Briggler ('80) for 26 years and the couple are parents to the late Briana Marie Briggler and SHCS students Ben and Joe Briggler. They attend Sacred Heart Church and Jackie serves as a Eucharistic Minister. Says Jackie, "I am proud to say that the best

part of Sacred Heart School is being with the best kiddos in Morrilton."

Barbi Kordsmeier also joined the cafeteria staff where she is responsible for maintaining the federal lunch program books and assisting in the kitchen. Barbi, a 1984 MHS graduate, attended UCA. She is married to SH 1984 Alum Walter Kordsmeier and the couple have one daughter – Paige – who graduated from Sacred Heart in 2014. "I love, love working with the kids and am so happy to be here," says Barbi.

SACRED HEART'S DEDICATED "COMMUTER FAMILIES"

Over the years, the number of families who commute from other counties into Morrilton to attend Sacred Heart has fluctuated. In the 90's the school even ran a small bus back and forth to Russellville to help parents manage the carpool situation. While talks continue regarding the addition of a new commuter bus, many dedicated parents make the drive themselves every day.

This school year, 19 of the 235 students enrolled at Sacred Heart travel daily from outside Morrilton; four are new to the school this year. We asked two of our commuter families what motivates them to make the sacrifices needed to send their children to Sacred Heart.

Bob & Susan Buser family

Bob and Susan Buser have been on a path to Sacred Heart School for many years. Bob is a 1983 graduate of Sacred Heart and they are committed to Catholic education for their own children. Their boys, 6th grader Thomas and 2nd grader Matthew, previously attended St. John's Catholic School in Russellville. When Thomas graduated from 5th grade in May 2014 – the

highest grade currently available at St. John's – the family made the switch to Sacred Heart. It was a long-planned-for transition, and Thomas attended Student Visit Day at SH in the past.

The Busers try to use their 35-minute daily commute wisely by praying, starting homework and afternoon snacks, and watching movies. When asked why they chose Sacred Heart, Bob and Susan say **"We find that Sacred Heart continues to improve the campus, retain dedicated teachers and staff, and offer high quality academic programs."** The support of the parish, of which the family is now a member, was also a critical factor for them.

Although Bob works at Nuclear One in Russellville, the family is looking to relocate in Morrilton.

James & Renae Dunham family

James and Renae Dunham first joined the Sacred Heart family in 2008. Their frustrations with public school led them to look at different options. The couple took a tour of the school with their oldest son and signed him up for a shadow day. **"By the end of the shadow day we were sold and Brennan began his sophomore year at Sacred Heart,"** report the Dunhams. The next year their son Jordan and oldest daughter, Lexie transferred. Since then, Brennan graduated in

2011 and Jordan in 2012, Lexie is a sophomore, and their daughter Caroline is in 1st grade.

The Dunham family lives in Atkins which means a 15-minute commute twice a day. Renae, Lexie and Caroline use their commute time studying for upcoming tests, talking about the events of the day, and most often, listening to Lexie's newest music. They have easily woven themselves into the culture that is Sacred Heart and can often be found volunteering at the school.

Supporting the Future of Catholic Education at Sacred Heart

DREW BOTTOMS MEMORIAL FUND ESTABLISHED

Just 3 ½ short weeks after delivering his Salutatorian speech to the Class of 2014, Andrew Lee Bottoms died in a tragic accident. Drew was proud to be a Sacred

Heart Rebel and he represented our school well. In addition to being named Class Salutatorian, Drew was recognized with the Sr. High All-Round Award, the Bill Deaton Student Salute, as an Honor Graduate, and with a Leadership Scholarship to ASU and several local scholarships. Drew was a member of the SH Beta Club, Student Council, Sr. High Quiz Bowl, Key Club and loved spending time on the basketball court as a Rebel. In his Senior will in the 2014 Liber Regis, Drew expressed his Rebel pride when he willed "...my passion to always be a Rebel no matter what to all of the Sacred Heart students."

Drew was the son of Kerry and Patti Andrews ('88) Bottoms. He was survived by his parents; brother, Cole Bottoms and sister, Madeline Bottoms; maternal grandparents, Frank and Jeannie (Zimmerman, '64) Andrews of Oppelo; paternal grandparents, Melvin and Sandy Bottoms of Belleville; numerous aunts, uncles,

cousins, and friends. Drew was a member of St. Elizabeth Catholic Church.

To honor his life and his love for Sacred Heart, the family has established an endowed fund in Drew's name. This fund will ensure that Drew's legacy at Sacred Heart lives on for years to come. Once the fund is fully funded at \$10,000, it will begin to make an annual distribution to Sacred Heart School. The family has elected to designate the fund to benefit the school's annual development project. In the past, donations for this purpose have allowed the school to complete major renovations to the high school lab and both the Elementary and High School buildings.

Memorial donations may be made to the Drew Bottoms Memorial Fund, Sacred Heart Catholic School Endowment, P.O. Box 426, Morrilton, Arkansas 72110.

"Follow your passion, stay true to yourself, and never follow someone else's path....We will smile, keep our chins up, and commit ourselves to the choices we do make!" –Drew Bottoms, Salutatorian speech, Graduation 2014.

SACRED HEART CATHOLIC SCHOOL ENDOWMENT Legacy Society

Last year, the Board of Trustees for the Sacred Heart Catholic School Endowment Fund, along with a group of committed families, established the Legacy Society. The Sacred Heart Endowment Legacy Society recognizes and honors those who have made a lasting commitment of any size by including charitable gifts to the school's endowment fund in their estate plans. Bequests, charitable trusts and life insurance are examples of planned gifts you can make to the Endowment.

We want to continue to spread the word about the Endowment Fund and the Legacy Society. **We want to invite you to add your name to this distinguished list.**

To become a member of the Legacy Society, **only a statement of intent to leave a gift to Sacred Heart School Endowment Fund is required;** no documentation of gift amount or type is necessary.

If you have this intention and/or have already made this commitment, please notify the Endowment Office so that we can recognize you and continue to inspire others. We will in turn send you an invitation to our annual Legacy Society event during which we will recognize our new members.

SACRED HEART CELEBRATES DONORS

On June 22nd, supporters of Sacred Heart Catholic School gathered at Denis and Dixie Drilling's home in Hattieville and were treated to a wonderful meal and fellowship. The event was hosted by the Sacred Heart Development Advisory Board in appreciation of all donors who participated in the school's Annual Campaign this past school year.

Guests gathered in the renovated rustic barn for dinner and brief recognition ceremony. Sacred Heart would like to especially thank the entire Drilling family for their hospitality and generosity toward Sacred Heart. Donor support is crucial to Sacred Heart's success and the school is very grateful for ongoing community support of school events and fundraisers.

For information regarding the Sacred Heart Annual Campaign, contact the Development Office at 354-4358 or visit the school website www.sacredheartmorrilton.org.
