

THE HEARTBEAT

NEW YEAR AT SACRED HEART

REBEL PLAZA/WALK OF PATRONS DEDICATION

Thanks to the generous donor support, Sacred Heart School received a significant facelift this summer.

The school's Development Advisory Board, led by co-chairs Chris & Angie Hartman and Director of Development Alisha Koonce, embarked on their ambitious campaign at the beginning of the 2012-2013 school year. The primary goals for the project were to improve the appearance of the campus, renovate the bathrooms, resolve drainage problems in front of the gym/high school entrance, and raise much-needed funds for the school's operating budget.

More specifically, renovations include the replacement of the west wall of the cafeteria; enclosing the front en-

OLD OAK TO LIVE AGAIN

Everyone remembers the old Oak tree that used to stand in the school

yard on St. Joseph's Street. From the number of its rings it was at least 135 years old. That means it sprouted in 1876 or before. That tree was older than our school, the parish and even Morrilton itself! Sadly, nothing lives forever and it had to be cut in 2011.

George Hoelzeman has acquired a section of the tree and is carving it into a sculpture which will be placed in the new gym entrance. As part of the installation, George would like to include photos of the tree in life, but he needs your help in finding those photos. If you have photos of the school from any era

NEW SACRED HEART MASCOT?

Avery Croswell and her Nubian dairy goat participated in a new competitive event at the Conway County Fair - The Animal Fashion Lead In. Competitors had to come up with matching costumes for themselves and their show animals. Avery and her goat, Penny, dressed as Sacred Heart Rebel Cheerleaders and won Best Costume for the Senior division.

which show the old Oak on St. Joseph Street, please contact George at 501-416-0514. You can also e-mail photos to george@grhstudios.com.

George is donating his work on this sculpture so the school will not have to pay for anything. There are, however, expenses involved in creating and installing any sculpture. For those interested in helping defray these costs, or who just want to own a piece of the old tree, George has several sections of the tree which he plans to turn into other objects ranging from turned bowls to small figures. Everyone who contributes will be acknowledged in the installation.

Installation is planned for the summer of 2014.

NEW STAFF

Sacred Heart welcomes **Coach Megan Tutor** as the new Girls' Basketball coach. Coach Tutor graduated from Greers Ferry Westside and from the University of Central Arkansas. In her spare time, she enjoys showing horses.

Hailey Monroe is a new teacher's aide in the Pre-School. Hailey is a graduate of Cabot High School. She is currently attending UACCM for nursing and would like to transfer to Tech or UCA after two years at UACCM.

Bill Gilbreath, '05, has joined Sacred Heart as the new IT Specialist. Bill served in the US Air Force for 5 ½ years and attended UACCM and Arkansas Tech University. He and his wife Ashley have one daughter, Lilly, who is enrolled in the SH Pre-School.

Rebecca Magie

is the new high school Science teacher for Sacred Heart. Dr. Magie graduated from Conway High School in 1992, attended UCA for 4 years and then continued her education for 4 more years at UAMS College of Pharmacy. She graduated in 2000 with a Doctor of Pharmacy degree. Dr. Magie has three sons: Louis (6th grade), John David (4th grade), and Eddie (age 2).

SIX CONFIRMED CASES OF REBEL FEVER AT SHHS

From left Avery Croswell, Emily Hoelzeman, Elizabeth Shadell (co-captain), Elli Warren, Samantha Campbell (Captain), and Emily Cambiano.

The Sacred Heart Rebels welcome the return of the Cheerleading program to support and encourage the basketball players and the fans. After several years of not having cheerleaders, we have a cheer squad consisting of six girls from grades 7-12. They are: Emily Cambiano, Elizabeth Shadell (Co-captain), Emily Hoelzeman, Avery Croswell, Elli Warren, and Samantha Campbell (Captain). The girls began meeting and practicing in June and will be ready to take the sidelines and cheer on the players. Their enthusiasm and love for the Rebels will be infectious.....if you're not careful you might catch Rebel Fever too.

trance to the gym for improved campus control and security as well as improving traffic flow during events; updates to the bathrooms in the gym lobby and the high school, including making one of the lobby bathrooms family-friendly (with a baby changing table) and handicap accessible; and finally over 430 engraved pavers were installed in front of the Sacred Heart Gym and Elementary entrances as part of the Rebel Plaza and Walk of Patrons (corporate donors).

“This plaza project allowed us to fix our flooding problems in front of the gym, to make our campus look nicer, and to recognize the commitment of our alumni and supporters,” said Alisha Koonce. The majority of the construction costs were underwritten by private donors so that donations toward named pavers directly benefited the school’s operating needs and tuition assistance for families. “We are very grateful to everyone who made a donation toward this project. We are excited that all of our current K-12 classes are represented in the Plaza as well as 33 alumni classes,” said Koonce. There are also four engraved benches on the Rebel Plaza – an area where visitors to the gym frequently gather before and after events. All of the existing concrete was removed and paver walkways were installed along with the plaza.

These projects are in line with the school’s strategic plan which called for campus improvements. The

school chose to focus on the gym/lobby area as it is highly-trafficked by both school and community members. During the course of one year, there are an estimated 12,000 visits to the Sacred Heart Gym/Ruff Auditorium for any number of events. The SH gym has become more than just a place to play basketball and it is widely utilized by the residents of Conway County on a regular basis.

Other recent improvement projects have included the renovation of the high school lab in 2011 and of the elementary building in 2012. These projects were prioritized for their overall impact on the school’s ability to recruit and retain students by taking care of the aging campus which has remained relatively unchanged since it was constructed in 1956 (elementary) and 1965 (high school).

The Rebel Plaza and Walk of Patrons were officially dedicated Saturday, September 14th following Mass. Opportunities to acquire pavers (see back cover) were announced as were this year’s fundraising goals (see below).

For more information about our campaign or projects, please contact the Development Office at 501.354.4358.

2013-2014 Funding Priorities:

- Renovation of North side of High School
- Renovation of Elementary bathrooms
- Addition of security features that limit campus access in the new lobby and cafeteria
- Technology Improvements, specifically to SmartBoard technology
- Playground enhancements, including the addition of pre-k playground and equipment and fall zones for safety
- Tuition Assistance and Operating support

REBEL GOLF TEAMS TAKE DISTRICT AWARDS

For the fourth year in a row, the SH Sr. Boys won their 1A conference 3 District golf tournament. The Sr. Girls came in 2nd. Both teams played in Cabot on September 23rd at Greystone Golf Course and will advance to the state tournament in Melbourne in October.

CONGRATS!

MOMS IN PRAYER – WEEKLY MEETINGS AT SACRED HEART SCHOOL

One of the greatest gifts you can give your children and our schools are your gifts of prayer. For our Moms, we have a very special opportunity: Moms In Prayer International. Are you a mom who deeply loves her children and longs for them to grow up to be loving, confident and successful? Do you fear that influences outside your control will steal their hearts? You are not alone ... and you've come to the right place. Moms In Prayer International is:

- Two or more moms who meet regularly to pray for their children, their schools, their teachers and administrators.
- Mothers, grandmothers or anyone who is willing to pray for a specific child and school.
- Moms who believe that prayer makes a difference.

Sacred Heart School has a Moms In Prayer group that meets every Monday at 11:00 am in the Chapel. For more information, contact JoEllen Dunlap at 501-354-2838 or email Jo.dunlap@yahoo.com, or check out the MIPI website at www.momsin-prayer.org

FACULTY WISH LISTS

Each year the PTO requests that members of the faculty submit a list of items that can help in their classroom or in the school in general. The SH PTO is able to meet many needs, but we would like to share this year's list with our supporters. If you are able to donate an item, or to make a financial gift that will enable us to purchase the item, please contact Mandy Voliva at 501-269-5408 or mvoliva78@aol.com.

BAZAAR

Special thanks to all those who attended, volunteered for and donated toward the 2013 Sacred Heart Bazaar. All bazaar proceeds benefit the school and make up a significant portion of the school's operating annual budget.

SACRED HEART LEGO LEAGUE IN SECOND YEAR

After a successful first year and hosting a county-wide day camp, the Sacred Heart Robo Rebels LEGO League is ready to begin competition once again this year. Team members began working on their robotics project in September with team-building exercises, field mission construction, and robot design. The group meets each Wednesday afternoon and will compete in Regionals in mid-October and the State competition in mid-December in Mountain Home. This year's teams will be mentored by previous LEGO competitor, Ethan Crowell, who aged out of this level of competition two years ago. LEGO League is open to all students in grades 4-8; Sarah Crowell is the sponsor for LEGO League.

Sacred Heart pre-school program is for students ages 3 and 4. Classrooms fill up well in advance of each school year and interested parents are encouraged to call and/or visit the pre-school. For more information, contact Director Amanda Lunsford at 501.354.4944 or alunsford@sacred-heartmorrilton.org.

DONOR APPRECIATION PARTY

On June 9th, supporters of Sacred Heart Catholic School gathered at Denis and Dixie Drilling's home in Hattieville and were treated to a wonderful meal and fellowship. The event was hosted by the Sacred Heart Development Advisory Board in appreciation of all donors who participated in the school's Annual Campaign this past school year.

Guests gathered for dinner and brief recognition ceremony. Sacred Heart would like to especially thank the entire Drilling family for their hospitality and generosity toward Sacred Heart.

Donor support is crucial to Sacred Heart's success and the school is very grateful for ongoing community support of school events and fundraisers. For information regarding the Sacred Heart Annual Campaign, contact the Development Office at 354-4358 or visit the school website

TUITION ASSISTANCE SERVES STUDENTS, FAMILIES & SCHOOL

Over the past three years, 22 SHS families have at some point received tuition assistance to help their family afford the cost to attend Sacred Heart. **A total of \$75,175 has been awarded during this time - thanks entirely to donor support.**

This school year, over \$23,000 has been awarded to help 27 students attend SHCS. Each family is carefully screened through a confidential and professional review process.

If you would like to help support this effort, please consider making a tax-deductible donation or pledge to the tuition assistance program. Your gift will directly assist families who believe

ELEMENTARY STUDENTS DONATE LEMONADE STAND PROCEEDS.

If you are interested in claiming a spot for your business in the Walk of Patrons, we are now accepting additional paver orders; pavers will be installed during the Summer of 2014. Contact the Development Office for details.

Sacred Heart School would like to send out a special thanks to those business owners who donated last school year and were included in the Walk of Patrons. Their pavers can be found at the crest of the hill alongside the elementary building. Next time you visit SH, take a look down at the names of those who participated in the project and support their businesses.

SACRED HEART HELPING HANDS: KROGER, SCRIP & MORE

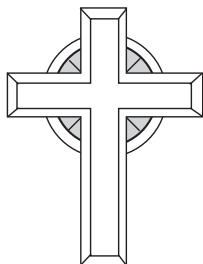

Did you know there are several great ways that you can help our school financially, **at no extra cost to you** - through your everyday shopping, dining, and more?

Kroger Cares continues to be a significant source of revenue for Sacred Heart. The program underwent major changes last year - all you have to do to participate is register your Kroger Plus card (the discount card that you get from the store). To do so, go to Kroger.com, under "Services," select "Community Rewards" and scroll down to the "Delta" icon. Enroll in the program and select SACRED HEART OR ENTER #80102 in the search field

and hit search; select and save us as your organization. Last year, we earned over \$6,800!

Another great way to support Sacred Heart is by purchasing gift cards through our Scrip program. Scrip allows you to purchase gift cards at face value and SHCS receives a % of your purchase. We place orders several times throughout the year, including just prior to Thanksgiving and Christmas - great for holiday shopping and gift giving. Some cards are available immediately as e-cards. A huge variety of retailers, restaurants, and gas stations are available.

For this and all other "Helping Hands" programs, visit our website.

The Tradition Continues Annual Fund provides an avenue for supporters of Catholic education to help propel our school forward with the resources needed to enhance and strengthen the school's high quality academic programs.

The Gift Societies recognize donations to the school's 2012-2013 Tuition Assistance, Campus Improvement, and Annual Campaigns. We sincerely appreciate the support of every alumnus, parent, grandparent, parishioner, and supporter of Catholic education at Sacred Heart.

The Sacred Heart School Endowment Legacy Society is officially launching this Fall. If you have designated the Endowment Fund in your will or as a beneficiary for your insurance policy, please let us know so that we can include you in notifications about our Fall party.

Colton Kordsmeier ('09) and **Rachel Tyler ('08)** were married on July 20, 2013 at Sacred Heart Church.

Wade Granberry ('00) and wife Erica welcomed daughter Gracie Brynn on June 19th; she weighed 8lb, 7oz.

Mandi (Hoelzeman, '07) Roller graduated from the University of Arkansas College of Pharmacy in May 2013 with a Doctorate in Pharmacy. She is a staff pharmacist at Debbie's Family Pharmacy in Rogers, AR.

Brandon Zinser and **Brian Rohlman** both recently passed Professional Engineering exams. At least four years of practical engineering experience prior to examination is required for licensing. Both Brandon and Brian are licensed to practice engineering in the state of Arkansas.

Brandon has a Bachelor Degree in Industrial Engineering and an MBA from the University of Arkansas. Brian has a Bachelor Degree in Civil Engineering from the University of Arkansas. Both are members of the **Sacred Heart Class of 2004** and UofA Class of 2008.

Karen Mobley, '72, married Gene Watson on April 13, 2013 at St. Patrick's Church in Rolla, MO. Karen retired from the US Forest Service in December 2011 and will reside outside Rolla on Riley Creek Farm.

Patrick ('96) and Katie **Hartman** of St. Vincent welcomed with love their third daughter, Caroline Danielle, on July 9th. She weighed 7 pounds, 9 ounces and was 19 ¼ inches long. Big sisters are Jennifer (2nd grade) and Anamarie (kindergarten) Hartman.

Dr. Jeff Briggler is the recipient of The 2012 Saint Louis Zoo Conservation Award. He was honored at the 21st Annual Marlin Perkins Society Celebration in St. Louis, Missouri on November 1.

Dr. Briggler is the Herpetologist for the Missouri Department of Conservation. Over the past decade, his work with Missouri's amphibians and reptiles has taken Dr. Briggler to every corner of the state and a variety of habitats, ranging from prairies to swamps to forests. Since 2001, he has worked with the Zoo to lead the hellbender conservation efforts in Missouri and is considered one of the nation's leading hellbender experts. The majority of Dr. Briggler's time is spent promoting, protecting and monitoring amphibian and reptile populations. Jeff has surveyed and mapped every river in Missouri where hellbenders are known to occur. He has played an important role in getting the Ozark Hellbender federally listed as an Endangered Species in 2011 and continues to be an integral

component of the Ozark Hellbender Working Group. He is the leader for the hellbender propagation and head-start program at the St. Louis Zoo. His efforts have saved the Ozark Hellbender from extinction.

Dr. Briggler is also working with Arkansas Herpetologists on the 11Point River near Pochontas. The only place in the world that the Ozark Hellbender can be found is in rivers in southern Missouri and northern Arkansas.

Dr. Jeff Briggler is the son of Clara and Fred Briggler, Sr. of Morrilton. He is a **1988 graduate of Sacred Heart Catholic School**, a graduate of the University of Central Arkansas, and the University of Arkansas.

ALUMNUS/HONORARY ALUMNUS OF THE YEAR NOMINATIONS

Nominations are now being accepted for this year's Alumnus and Honorary Alumnus of the Year.

Recipients for both awards will be recognized during the Homecoming celebration **January 18, 2014**. All alumni are invited to attend the Homecoming ceremony and will receive a special gift, recognition during the event, and a complimentary concession item.

REUNIONS

Alumnus Cont. from pg. 9

Nominees for Alumnus of the Year must be a graduate of SHCS. This person will be recognized for their contributions to Sacred Heart, their community, state or society; outstanding achievement in their personal and/or professional endeavors; possessing a reputation this reflects positively on Sacred Heart and are an inspiration and encouragement to our current and prospective students.

Nominees for Honorary Alumnus of the Year may include anyone who has giving significantly (time, talent, and/or treasure) to our school over the years and clearly exemplify a commitment to Catholic education at Sacred Heart.

A nomination form is available on the Alumni page of the SHCS website or you can simply email or mail your nomination; it should include the name of the individual, the name of the award, and a detailed description as to why you feel they should be recognized for their contributions to SHS (previous nominations may also be accepted). Nominations must be received by December 31st and can be sent to:

akoonce@sacredheartmorrilton.org.

Make sure your SHCS
legacy is
Written In Stone

We are pleased to accept new pavers for the Rebel Plaza. Pavers are a great way to memorialize a loved one or can commemorate anniversaries, graduations, birthdays, etc. They may also recognize the legacy of a family, a class, or an individual alumnus. To claim your paver, go to www.sacredheartmorrilton.org or call 501.354.4358.
